Happy 2005, '64 gang!

MAJOR SCORE!!

Sue Givens Finneran sent in kudos to a famed '64 classmate! For those of you who missed the Orange Bowl on Jan 4th, USC scorched Oklahoma 55 to 19 and much credit went to the Offensive Coordinator, OUR Norman Chow! Sue thought you'd enjoy this link to Norm's stellar career. Check it out!

SURF'S UP!!

Check out the Puns in Print section of the next Bulletin (winter issue) and you'll find a review of a great new coffee-table book from George Engebretson's Watermark Publishing. Titled "All Those Summers: Memories of Surfing's Golden Age", it features prose and poetry by Mike McPherson ('64), a Foreword by Johnny Clark ('64), and lots of spectacular photography -- dramatic contemporary pix and evocative "period" photos from the '60s and '70s of web-foots like Fred Hemmings, Gerry Lopez, Buzzy Kneubuhl, Paul Strauch, Peter Moon, Paul Guard and other Punahou alum. Watermark Publishing will launch Mike's new book at a book signing at Reyn's Ala Moana on January 15.

Watermark Publishing and Reyn's invites you to a celebration of the release of Michael McPherson's new book, "All Those Summers: Memories of Surfing's Golden Age" on Saturday, January 15, 2005, from 11 a.m. to 1 p.m. at Reyn's Ala Moana Center (Mall Level). Why Reyn's? Because owner Tim McCullough is one of the book's principal photographers, and he has just renovated the Ala Moana store in a '60s Hawaii surfing theme. Re-connect with Mike, meet the photographers, and swap stories with surfing personalities from the past!

Questions? Call George at (808) 587-7766!

UPDATED NETWORK LIST

I'm about ready to send out a revised, updated email Network list with a few added NEW NAMES and one typo CORRECTION (oops ... sorry, Susie Gebauer Brown!!) from the last list. I'll make notations of the changes/additions on the new list so you can note just the differences. The new list will go out within the week.

Pau for now.
